

DECKTECH'10 & VFDRMA Proudly Present

# Deck & Railing University

Tuesday, February 16, 8:30 – 4:30

## Attention NADRA Members:

Your support is requested. Do you know a good candidate for DRU? Invite them to register for Deck and Railing University's intense one-day session to be held one day prior to [FENCETECH/DECKTECH'10](http://www.FENCETECH/DECKTECH'10) in Orlando. Students will improve their skills and learn the latest techniques and best practices.

- *Legal issues and real-life stories of injuries/deaths from failing decks.*
- *Code changes & code conforming design (DCA 6).*
  - *Deck maintenance and inspection.*
  - *Ledger connections.*
  - *Post installation & post tests.*
- *Board bending demo and hands-on workshop.*

**There is still time to register. NADRA members qualify for AFA member prices. Hurry - Don't Delay! Go to [www.FENCETECH.com](http://www.FENCETECH.com).**
